State Air Surgeon (SAS)
Wyoming Air National Guard (Cheyenne, WY)
Lt Col/O-5 thru Col/O-6**

Open Period: 3 May 2019 through 'Open Until Filled'
Hiring Official: Major General Gregory C. Porter, TAG-WY
Position Title: State Air Surgeon
Rank/Grade Requirement: O-5 with a COE or O-6 (48RX or Flight Surgeon-rated AFSC)
Position Information: Drill Status Guardsman (Traditional Position)
Duty Location: Cheyenne, Wyoming
Who May Apply: Nationwide
Point of Contact JFHQ-WY, SMSgt Denise Hondel, (307) 772-5037

1. Requirements

- Candidate for the position of State Air Surgeon must hold the aeronautical rating of Air Force Flight Surgeon
- Candidate should have broad experiences as Medical officer including those as/an operational flight surgeon and senior leadership experience (SGP or CC) within the medical group
- Candidate must have eligibility to serve at least two years in the position and will be appointed for four years: TAG may reappoint the SAS for additional four year terms

2. Position Description

- This position is assigned to the Wyoming National Guard Joint Force Headquarters and serves as a consultant to the TAG for all medical issues. The SAS also acts as the liaison between NGB/SG and all medical units within the state. The SAS functions as the State Headquarters' Air Surgeon in addressing all ANG medical and aeromedical programs within the State. The SAS advises both line and medical leaders regarding medical issues and programs. Nominates members of the medical organization throughout the State for awards, decorations and promotions. Advises TAG, State Headquarters and Line Commanders as well as Guard Medical Unit (GMU) and the Squadron Medical Element (SME) or other unique operational groups or squadrons that have medical providers in accordance with AFI 48-149 and AFI 25-201. Serves as the ANG medical representative in support of the State Partnership Program (SPP), or appoints another senior medical leader from within the state to fill this role. Serves as the focal point at State Headquarters regarding ANG medical capabilities related to Homeland Response and medical support to civil authorities. Encourages timely, accurate reporting Medical

Readiness statistics (i.e. Status of Resources and Training System (SORTS), Defense Readiness Reporting System (DRRS), AEF Reporting Tool (ART), and other reports) and review results with medical units, commanders, and JFHQ. Attends W2C3 (Warrior Wellness Combined Council) and NGSCA (National Guard Support to Civil Authorities) meetings. Other duties as assigned.

3. Application Reminders

- Pen/ink changes to any source document, i.e. Report on Individual Personnel (RIP) or evaluations, could result in application package not being forwarded for consideration.
- All required documents must be included for application package to be forwarded for consideration

4. Position Expectations

- Incumbent must be a member of the Wyoming Air National Guard or eligible to become a member of the Wyoming Air National Guard
- Incumbent must attend RSD's on a regular basis
- Incumbent will report directly to TAG-WY

5. Application Package Requirements and Procedures
